

Typing Finger Placement & Home Row Chart

Use the bumps on F and J to find your index fingers. Return to ASDF / JKL; after every reach.

Keyboard finger assignment chart

Colours show the assigned finger

Key colors show which finger owns each column at a glance.

- Left pinky
- Left ring
- Left middle
- Left index
- Thumbs
- Right index
- Right middle
- Right ring
- Right pinky

Five touch-typing basics

1.

Find F/J without looking
2.

Keep wrists neutral and relaxed
3.

Use the assigned finger
4.

Return each finger to home row
5.

Choose accuracy before speed
